Gigina Rajesh

Software Engineer - Front End
Tonbridge, England TN9 1NZ | 07417415633

Giginacleetus18@gmail.com | www.Gigina.info | www.Linkedin.com/in/gigina-rajesh14

Technically proficient Software Engineer with 5+ years of experience designing and developing dynamic web applications. Expert in building responsive, user-centric interfaces using modern front-end tools and frameworks. Passionate about continuous learning and staying current with emerging technologies to drive innovation and contribute to organizational success.

Work Experience

Software Engineer - Front End   May 2023 - Mar 2025
Adox Global Ltd | India

- Delivered highly interactive and responsive user interfaces using React and Angular increasing user engagement by 25% through optimized UI/UX design and seamless performance.
- Developed modular, reusable React and angular components, reducing development time for new features by 30%, leading to faster project delivery and reduced maintenance overhead.
- Implemented performance optimization techniques like code-splitting, lazy loading, and memorization, reducing page load time by 40%, improving application speed and efficiency.
- Optimized API integration using Axios, improving data fetch efficiency by 20%, resulting in faster and more reliable data rendering.
- Developed and maintained custom WordPress themes, plugins, page builders like Elementor and Gutenberg tailored to client specifications.

SharePoint Developer   Oct 2019 - Sep 2020
JoulestoWatts Business Solution Pvt.Ltd | India

- Expertly used the Front-End coding tools Such as HTML, CSS and JavaScript Frameworks to design and customize more than 10 SharePoint web pages, web parts, and lists in a successful manner.
- Worked closely with cross-functional teams, including designers, back-end developers, and product managers, to deliver features on time while following Agile/Scrum methodologies.
- Managed and maintained more than 15 SharePoint lists data web applications by efficiently performing jQuery REST APIs.
- Developed and maintained document libraries and custom search functionalities, reducing document retrieval time by 40% and improving productivity.
- Built responsive and interactive user interfaces using React.js, incorporating state management libraries like Redux or Context API for efficient data flow and user experience.

Technology Consultant   Aug 2018 - Oct 2019
Ernst & Young Global Delivery Services India LLP | India

- Spearheaded more than 5 SharePoint portals, including translating wireframe designs into functional web applications by using HTML5, CSS3, SASS, JavaScript, jQuery, React with 100% client satisfaction.
- Achieved 95% unit testing success rate by supporting continuous interaction between users, development, and QA teams throughout the SDLC.
- Identified and fixed bugs from existing websites and incorporated creative enhancements that successfully improved functionality and efficiency by 25%.
- Ensured high availability and reliability of SharePoint environments by implementing best practices for maintenance, monitoring, and issue resolution, achieving 99.9% system uptime.

Junior Software Developer   Sep 2016 - Dec 2017
Softonix Technologies | India

- Used PHP, MySQL, JavaScript to code and deploy more than 7 MVC web applications.
- Worked closely with an agile team of 10 members and provided end to end solutions for clients.
- Built the next version of client web application to add new user designs and features using native JavaScript and in-house framework, reducing reported bug issues by over 15%.
- Implemented advanced Technical Skills to troubleshoot and resolve complex front-end issues, improving website performance by 50%.

Core Skills

HTML5, CSS3, JavaScript, jQuery, Bootstrap, Tailwind CSS, SASS, React, Redux, Material UI, SharePoint, Git, GitHub, C#, SEO, Angular, Bitbucket, JIRA, Jest, WordPress, PHP, MySQL

Education

University of East London, UK   Jan 2021 - Jul 2022
MSc | Computer Science

Marian Engineering College, India   Aug 2012 - May 2016
Bachelor of Technology | Computer Science and Engineering

Certificates

Career Essentials in Generative AI   Nov 2024
Microsoft and LinkedIn

Career Essentials in Software Development   May 2024
Microsoft and LinkedIn

AWS Academy Graduate - AWS Academy Cloud Foundations   Mar 2021
Amazon Web Services Training and Certification
